

Shabbat Shalom!

Our Friday night Shabbat service for January 15<sup>th</sup>, 2021 took place earlier this evening. As always, many thanks to David Stern and Bob Morris for enhancing our services musically, and thanks again to Rich Katz for the tech support and skills.

Much appreciation to all who participated in our services this week, as always, and a big thank you to Rabbi Urecki who graced us with his wonderful words of wisdom as part of this weekend's Pulpit Exchange.

If you want to have a role in services, please be in touch with Ronni Spudich about lighting candles, or Betty Stern about an Aliyah.

If you wish to borrow a copy of the Mishkan T'fillah siddur for Shabbat services, please do so: contact us and arrange to pick it up from the bench in front of the Temple (on the Kanawha Blvd side, with the circular drive).

If you prefer, you can access the words in our Siddur (prayer book) via this link to a flip book online version of the Mishkan T'fillah for Shabbat

We continue to urge that you be safe and careful. The policy remains in effect that we are having no in-person meetings, events, or services in our building.

Kanawha County Health Department will have more vaccinations by appointment for those 70 and older (and moving to 65, we are told, next week). Call 304-348-8080 to make an appointment in advance. Apparently, there are also vaccines available at some pharmacies and doctors' offices – you may wish to call around. If we hear of any news in this regard, we will send it along as soon as possible.

---

As always, I would love to hear from you. If you want to chat for a few minutes, please let me know. We have many options available - on the phone, in a zoom meeting, or by text or email. Whatever works best for you. It can be during one of the check ins, or you can just let me know when you want to talk and we can arrange a time, or tell me when you are free and I can get in touch with you.

---

I am open to any suggestions you have, so if you have any comments, criticisms, or suggestions about the services, events, activities, or classes, please let me know, or if it is more comfortable to do so, share your thoughts with Josh Barrett, or any of the other board members, or the members of the rabbi liaison committee. Your comments are both sought and valued, and I sincerely appreciate hearing what you think. My goal is always to do the best I can to serve the needs of this community.

Please know that we continue to work hard to offer meaningful and uplifting services and events, and your input is valued, and most helpful in allowing us to craft them.

---

On Sunday, I will send the LINKS Email with links and details about accessing events coming up. If you don't get that LINKS Email, or any other, please contact me and I will re-send it. If someone wishes to be added to our email list, we can arrange that – just ask them to let me know (by email or text), so we are sure not to 'spam' anyone.

Wishing you a Shabbat shalom and a Shavuah tov. Stay safe and well. Looking forward to seeing you online soon!
