

Shalom!

Our 5782 High Holy Day services were held on September 6-7 for Rosh Hashanah, and September 15-16 for Yom Kippur. This message contains links to all of the various events (non-Shabbat services and events) that took place.

Thanks to all who participated in the services in any way.
It was our honor to have them involved, and we appreciate them so much!

- Our appreciation to David Stern, Bob Morris, and Sandra Gross for enhancing our services musically.
- Thanks to Rabbi Urecki for his participation and support of our joint Torah study, and the joint Sukkot celebration.
- Thanks to Rich Katz for the technical support for Rosh Hashanah!
- And special thanks to David Shapiro who undertook to provide technical support for all of Yom Kippur!

All services were livestreamed to the Temple Facebook page.
You should be able to view the recorded service from tonight on the Temple Facebook – Scroll down to find this service recording on the Temple page here: <https://www.facebook.com/2550469431660054/>

As always, I would love to hear from you. If you have any comments or suggestions about our High Holiday services, or simply want to chat for a few minutes, please let me know. We have many options available - on the phone, in a zoom meeting, or by text or email. Whatever works best for you. You can just let me know when you want to talk and we can arrange a time, or tell me when you are free and I can get in touch with you.

SIDDUR (PRAYER BOOK)

In light of the changing circumstances, the CCAR is providing free flipbooks for Mishkan T'fillah. To view the flipbooks as well as other resources, including discounts on print books and materials, visit https://www.ccarnet.org/publications/resources-repaginated/#dfliip-df_10112/1/.

You can also arrange to borrow a Siddur (Prayer Book) for Shabbat, Festivals, and Weekdays by contacting me (the rabbi), or the office (Greg), and arranging a time to pick one up.

By the same token, if you borrowed a High Holiday Machzor (Prayer Book) and have not yet returned it, please arrange to do so to your convenience. Call to let me or the office know you are bringing it by; we need to be sure someone is in at the time you come by. You can arrange to drop it on the bench in the front of the building (in the circle on the Kanawha Blvd street side).

REQUEST FOR SCHEDULING COMMENTS

In the bulletin, and in the Reminder Links Email, I asked for your feedback in regard to which offerings you would like to see, when, and how often. If you could please respond to me (the rabbi) by October 10th, that would be a huge help! I am trying to plan for activities, and need to know what you would value having. Thanks!

TZEDAKAH

Please note the extensive needs that exist, and consider making not just your usual gift, but additional funds to help those in need. I ask for you to consider a special donation at this time, as well as consider if there is any way you can help in other ways.

Wishing you a Shabbat shalom, and a Shavuah tov! Stay safe and well.

Joe
