

Shavuah Tov!

Our Havdalah service for June 18th, 2022 took place as scheduled – and seemed to work well!

Many thanks to Richard Hess for his assistance with the technical aspects.

The board voted that the building will be open for in-person attendance at worship services and Onegs. Meetings remain online until we resolve the issues regarding hybrid functions in locations other than the Sanctuary. Please know that services will continue to be available online in future, so if you prefer or need to attend via Zoom, that will continue to be an option.

In person or online, if you want to have a role in our services, please be in touch with Ronni Spudich about lighting candles, Betty Stern about an Aliyah, or me about serving as a Gabbai or leading any part of the service.

The Havdalah service tonight was not livestreamed to the Temple Facebook page, but I am uploading a version of it. You should be able to view the service from tonight on the Temple Facebook page – Scroll down to find this service recording posted on the Temple page here: <https://www.facebook.com/2550469431660054/>

As always, I would love to hear from you. If you want to chat for a few minutes, please let me know. We have many options available - on the phone, in a zoom meeting, or by text or email. Whatever works best for you. You can just let me know when you want to talk and we can arrange a time, or tell me when you are free and I can get in touch with you. I do ask your indulgence – at times I get overwhelmed, and may be slower to respond to calls or messages; I appreciate your patience with me during those times. It is never that I don't want to talk to you; please accept that as a given.

I sent the SUNDAY REMINDER LINKS EMAIL earlier today, on Sunday –that will cover events during the period of Monday-Thursday of the coming week. Another Thursday Reminder Links Email will be sent out on Thursday next week with information on events from Friday thru Sunday of the coming weekend.

If someone wishes to be added to our email list, we can arrange that – just ask them to let me know directly (by email or text), so we are sure not to ‘spam’ anyone.

Wishing you a Shavuah tov! Stay safe and well!

Joe
